SHAREHOLDER UPDATE

31 August 2012

Australia Trade Report for The Economic Observer (经济观察) of China

The Company has posted Chinese and English versions of the first Australia Trade Report for ***The Economic Observer of China*** on its website.

The Australia Trade Report was published on August 20th, 2012 as a special section within The Economic Observer to its over 2.5 million weekly readers.

The Australia Trade Report was produced to provide previously unpublished insight to readers regarding relationship and business opportunities with Australian institutions. Historically, Chinese media regulations have restricted foreign companies from communicating on this level in mainland China.

The Oil and Gas Gazette

The Company has also posted an article from the August Edition of ***The Oil and Gas Gazette*** on its website.

These articles can be found under the "News / Articles" tab on our website:
